Sure (Dave was copied on my message to you) -- but it should be made clear that we are not approving or rejecting any candidates.

I thought I had sent this to you earlier. Sorry for the delay. I think ERG wants to move forward this week, so a quick look is requested.

It would be good for us to touch bases briefly about this tomorrow. Did I hear you are going to be in DC?

Thanks.

Subject: Fw: Pavillion Peer Review: Pool of Proposed Reviewers

Cindy,

ERG has identified 15 potential candidates for the Pavillion peer review (see below), and they have sent a copy of their CVs to us as a courtesy. As you know, the selection process is up to them -- we cannot influence who they select -- but we can provide some general feedback for them to consider regarding such factors as the range of disciplines represented by the list of 15.

If you have any comments of this nature, please let me know ASAP.

Thanks,
Fred
